## ABOUT THIS PROPERTY

### Property Highlights:

**Bedrooms:** 2

- Golf Villa, is one of the original Casa de Campo golf villas; a two-level model with a gable roof in the 'cluster' concept. Remodeled by the renowned architect Sully Martinez, where without altering the charm of the original design, the villa has been 'modernized' gradually, without falling into the cold and impersonal, interior design with environments that reflect the magic of Casa de Campo. The villa offers wide spaces, even though it is not very big, but the charm it has will make you have beautiful experiences in Casa de Campo forever. The villa will become your favorite place in the world.

**Bathrooms:** 2

**Lot size:** 280
